

## JOINT RESOLUTIONS

Public Safety and Correctional Services for the purpose of developing feasible recommendations for a plan of coordination of the various efforts aimed at the prevention and control of juvenile delinquency. In making the study, the advice and assistance of the appropriate State Departments should be sought. The Commission may call upon other public or private agencies as it deems appropriate. The recommendations of the Commission may include, but need not be limited to, possible areas of improved coordination among departments, suggestions for joint responsibilities and cooperative program efforts, and ideas for maximum efficiency in the utilization of monies expended in the prevention and control of juvenile delinquency; and be it further

RESOLVED, That this Commission shall make its preliminary report to the Governor and General Assembly by January 1974 and its final report to the Governor and General Assembly by June 30, 1974 with any specific legislative recommendations and that the study shall begin by July 1, 1973; and be it further

RESOLVED, That a copy of this Resolution be sent to the Governor, the Executive Director of the Governor's Commission on Law Enforcement and the Administration of Justice, the Secretary of Budget and Fiscal Planning, the Director of the Department of Juvenile Services, and the Secretaries of the Departments of Health and Mental Hygiene, Employment and Social Services and Public Safety and Correctional Services and the State Superintendent of Schools.

Approved May 7, 1973.

No. 28

(House Joint Resolution 100)

House Joint Resolution requesting the Joint Committee on the Management of Public Funds to undertake a number of studies.

WHEREAS, The Committee on Appropriations of the House of Delegates has considered a number of issues relating to the management of State funds during its deliberations at the 1973 session, but has lacked sufficient time to review all of them; and

WHEREAS, The Joint Committee on the Management of Public Funds has been created to provide a continuing study of the subject; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Joint Committee on the Management of Public Funds is requested to undertake a number of studies including, but not limited to:

- (a) The type and scope of a consultant's study on the total receipts, accounting, disbursements and investment of public funds and the anticipated cost of such a study;
- (b) The alternative methods of disbursing funds including the warrants system;
- (c) The role and objectives of the investment policy of the State in relation to carrying out public policy;
- (d) The handling of public moneys by other public officials such as clerks of courts and registers of wills;
