Chapter 68, Acts of 1973, effective June 1, 1973, added certain provisions to Article 41 of the Annotated Code of Maryland requiring the publication of specified executive orders in the annual session laws.

In general, the orders required to be published are those issued by the Governor pursuant to Article II, Section 24 of the Constitution or Sections 3A, 14A, 15B or 15C of Article 41 of the Code; orders establishing task forces, boards, commissions, or study units; orders promulgating rules of conduct or procedure for State employees or agencies, and orders involving substantial reorganizations of executive branch agencies. Chapter 68 also requires the publication of certain of these orders in the Code.

This portion of the 1973 session laws includes the executive orders required to be published by Chapter 68, except for three published elsewhere. These three are the order of May 1, 1971, which appears as Chapter 29, Laws of 1971, the order of February 25, 1972, which appears as Chapter 7, Laws of 1972, and the order of February 24, 1973, which appears as Joint Resolution 2, Laws of 1973.

The orders appear in chronological order.
