EXECUTIVE ORDER OF JANUARY 29, 1969  
OPERATING ECONOMY SURVEY

Government has a continuing obligation to provide necessary programs and services with maximum efficiency and economy.

Recognizing this, I salute the group of private citizens that, at no cost to the State, has undertaken a study of methods and means of achieving full efficiency from government operations.

Because the survey is near completion, and because its findings are vitally needed in this increasingly critical period, I am concerned that the citizens engaged in the study be allowed time to conclude the survey. Accordingly, and

BY VIRTUE of the authority vested in me as Governor of the State of Maryland, I am therefore extending on this date THE GOVERNOR'S OPERATING ECONOMY SURVEY and authorizing Mr. James J. McIntyre to remain as Chairman.
