

loan industry, the commercial banks, and any other similar industry will invest a significant amount of money into the City.

WHEREAS, The savings and loan associations and mutual savings banks must guarantee that restrictions of home loans based on the age and the frontage of a house will be lifted and that home mortgage loans as low as \$3,000 will be made.

WHEREAS, Commercial banks for construction and life insurance companies for long-term financing must guarantee that specific amounts of money will be made available to revitalize key inner city commercial areas in the City because their revitalization will be a major key to the continued revitalization of the entire City.

WHEREAS, Traditional inner city neighborhoods require an affirmative lending program to maintain and upgrade housing in those neighborhoods because decent housing is crucial to good neighborhoods.

[[WHEREAS, The Division of Building, Savings and Loan Associations and Maryland Savings-Share Insurance Corporation and Office of Bank Commissioner must adopt an affirmative action program in hiring and participation on the Boards and the Association and Banks must support efforts to initiate fair employment practices and minority representation on Boards and Commissions affecting the Industries.]]

WHEREAS, It is imperative that data and other statistical information be maintained on who purchases homes[[, and that the savings and loan associations and the commercial banks and others maintain among other information data on the race of the persons who obtain conventional loan home mortgage notes and that this information be published yearly and sent to each member of the General Assembly]].

WHEREAS, Minority savings and loan associations must be supported in that commercial banks, savings and loan associations and other associations place savings accounts and other pertinent accounts in minority savings and loan accounts. Actions should be taken to increase by 100% the dollar volume of the accounts in minority savings and loan institutions.

[[WHEREAS, The commercial banks have offered the City up to 15 million dollars in mortgage money, and the offered money should be placed in minority savings and loan associations for the primary purpose of home mortgage loans within Baltimore City.

WHEREAS, The savings and loan associations and
