(B) LIMITS ON REVOCATION OR SUSPENSION.

THE DEPARTMENT MAY LIMIT REVOCATION OR SUSPENSION OF A REGISTRATION TO THE PARTICULAR CONTROLLED DANGEROUS SUBSTANCE FOR WHICH GROUNDS FOR REVOCATION OR SUSPENSION EXIST.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 27, § 282(a), (b), and the reference to a denial of registration and a refusal of renewal of registration in (c).

In the introductory language of subsection (a) of this section, the former reference to a registration "pursuant to § 281, as amended from time to time" is deleted as implicit in the defined term "registration".

Also in the introductory language of subsection (a) of this section, the reference to the ability of the Department to "deny a registration to any applicant ... or refuse to renew a registration" states explicitly the former implicit reference to the ability of the Department "pursuant to a denial of registration or to a refusal of renewal of registration under § 281".

Also in the introductory language of subsection (a) of this section, the former reference to a registration "to manufacture, distribute, or dispense" is deleted as implicit in the reference to a "registration".

In subsection (a)(2) of this section, the reference to a "crime" is substituted for the former reference to an "offense" for consistency. See General Revisor's Note to article.

In subsection (a)(3) of this section, the former reference to registrant whose federal registration has been suspended or revoked "by competent federal authority and is no longer authorized by federal law to engage in the manufacturing, distribution, or dispensing of controlled dangerous substances" is deleted as implicit in the reference to having had "federal registration suspended or revoked".
