VENEREAL COMPLAINTS.
AS Dr. WARNER'S practice has been
very extensive both in public and pri-
vate, daily experience convinces him of the
propriety of his method of removing the
venereal disease, in preference to any medicine
vended or known in Baltimore. He has re-
moved the most desperate cases with care and
dispatch, after the failure of some of the ablest
physicians both in Europe and America. Com-
plaints of the urinary passages and debility
thereof, from various causes and accidents,
removed in the shortest possible space of time.
As there are persons from various causes
cannot personally apply, it may be necessary
to inform them, they may be relieved from a
description of their complaint.
Dr. W. warrants a cure in all cases. Masters
of vessels and travellers may have their medi-
cine so prepared that a safe, effectual and ex-
pedient cure may be effected, without the
least restriction in drink or diet.
N. B. Dr. Warner has removed from
Bend-street, to Cumberland Row, No. 64,
below the Marsh-market.

District of Maryland, to wit:
(L. S.) BE it remembered, that on the six-
teenth day of June, in the twenty-
eighth year of the Independence of the U-
nited States of America, Samuel Butler, of the
said District, hath deposited in this office the title
of a book, the right whereof he claims as au-
thor, in the words following, to wit:—"Fer-
denand and Elmira; a Russian story—by a
Lady of Massachusetts, author of Julia, the
Spectator, and Amelia.
"A critic was of old a glorious name,
Whose sanction handed merit up to fame;
Beauties as well as faults, he brought to view,
His judgment great, and great his candor too.
No venal rules drew sickly taste aside,
Secure he walk'd, for nature was his guide.
"But now—O, strange reverse! our critics
bawl,
In praise of candor with a heart of gall,
Conscious of guilt, and fearful of the light,
They lurk enshrouded in the veil of night,
Safe from detraction, seize the unwary prey,
And stab like bravoos, all who come that way."
(Chubbill's Apology)
In conformity to the act of the congress of the
United States, intituled "an act for the en-
couragement of learning, by securing the copies
of maps, charts and books to the authors, or pro-
prietors of such copies, during the times therein
mentioned."

as the situation is in a pleasant and healthy part
