Mr. Leaman

RETURNS his sincere thanks to the wor-
shipful mayor of Baltimore, for his favor
to the gardens for the Indian tribe of Osage
dancing on Wednesday evening, July 25. Like-
wise shall with gratitude acknowledge the
honor done him by the may, the corporation,
and worthy citizens on that occasion. The
brilliance of the audience, together with the
novelty of the Indians' performance and situa-
tion of the place, exhibited a picture, perhaps,
never witnessed in America. The greatest
attention and decorum was observed. The dis-
posal of the garden, the stage department, the
mayor's box, and seats generally, were under
the direction of Mr. Duran, and by his account,
will show the immense expense it was attend-
ed with. Mr. L. thinks it necessary to add, that
he presented the Indian chief with one hundred
dollars.
July 31. d4t.

VENEREAL COMPLAINTS.

A S Dr. WARNER'S practice has seen
very extensive both in public and pri-
vate, daily experience convinces him of the
propriety of his method of removing the
venereal disease, in preference to any medicine
vented or known in Baltimore. He has re-
moved the most desperate cases, with care and
dispatch, after the failure of some of the ablest
physicians both in Europe and America. Compli-
cations of the urinary passages, and debility
thereof, from various causes; and accidents,
removed in the shortest possible space of time.
—As there are persons from various causes
cannot personally apply, it may be necessary
to inform them, they may be relieved from a
description of their complaint.
Dr. W. warrants a cure in all cases. Masters
of vessels and travellers may have their medi-
cine so prepared that a safe, effectual and ex-
pedient cure may be effected, without the
least restriction in drink or diet.
