VENEREAL COMPLAINT: A S Dr. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vendred or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents removed in the shortest possible space of time.—As there are persons from various countries cannot personally apply, it may be necessary to inform them, they may be relieved from description of their complaint. Dr. W. warrants a cure in all cases. Master of vessels and travellers may have their medicine prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in diet or diet. N. B. Dr. Warner has removed from Bond-street, to Cumberland Row, No. 64, below the Marsh-market.

100 Dollars Reward. RAN away from the subscriber on the 23d of February last, a Negro lad named JIM, 19 years of age, 5 feet 6 or 7 inches high, square built, black brown complexion, a small scar under one of his eyes and has one on each cheek, the white of his eyes are mixed with a yellowish red, and a good countenance; he has a hurt in one of his legs which is not perceivable unless he walks quick. His dress when he went away was a blue baize out-side jacket lined with green, longer than common—a blue inside ditto—half worn, a grey leamtaught pair of breeches, a coarse shirt, white yarn stockings and two pair of shoes. He is an artful villain and will change both name and dress, and will endeavor (through the means of his father who lives on Fell's Point) to pass for a free man and no doubt will enter on board some vessel as such. This is the 5th time he has run off—he ran away the 3d of January 1831, and was caught in York county, Pennsylvania, and lodged in Little York jail. If he is taken up in Maryland, I will pay fifty dollars and reasonable expenses if brought and delivered to me—in any other state the above reward, and all reasonable expenses on his being delivered to Wm. STINSON. N. B. All masters of vessels are warned not to hire or take him away. W. S. 1834

Notice To the Owners and Flitters of Tobacco, throughout the State of Maryland, Virginia and elsewhere. UNDER a late law of the General Assembly of Maryland a large, spacious and commodious Freeport Warehouse, built on the end of the Centre Market space and Frederick street dock, is now ready for the reception, packing and inspection of Tobacco. It is presumed that the great many advantages attached to this Warehouse, both from its central situation in the city of Baltimore, not being more than 300 yards from the Custom House of the United States—the little danger from fire, and its easy and immediate accessibility by water, with out any charge for wharfage, will deserve and elicit the attention of all persons interested. It is very convenient and near to the merchants who principally buy and deal in Tobacco—always to be approached by the large craft, bay and coast, with sufficient navigation for all vessels employed in the exportation of this article, not drawing more than twelve feet water. Its exemption from risk by fire and from wharfage are also considerations offering peculiar advantages. The subscriber promises always to use the utmost dispatch, care and attention for the interest of those who may please to consign their tobacco to his charge. J. THOMAS STEVENSON, Inspector. City of Baltimore, } Inspeor. December 11 d19t
