

CRUDEN'S CONCORDANCE.

PROPOSALS By Kimber, Conrad & Co. For Publishing by Subscription that Valuable Work, entitled A COMPLETE CONCORDANCE TO THE Holy Scriptures OF THE OLD & NEW TESTAMENT;

DICTIONARY & ALPHABETICAL INDEX TO THE BIBLE. Very useful to all Christians who seriously read and study the inspired writings. In two parts—containing,

I. The appellative or common words, in so full and large a manner, that any verse may be readily found by looking for any material word in it. In this part the various significations of the principal words are given, by which the true meaning of many passages of Scripture is shown—an account of several Jewish customs and ceremonies is also added, which may serve to illustrate many parts of Scripture.

II. Proper names in the Scriptures.—To this part is prefixed a table, containing the significations of words in the original languages from which they are derived.

To which is added, A CONCORDANCE TO THE BOOKS CALLED APOCRYPHA. The whole digested in an easy and regular method; which, together with the various significations and other improvements now added, renders it more useful than any book of the kind hitherto published.

By ALEXANDER CRUDEN, A.M. This excellent work having gone through five editions in England, and never yet been printed in America, the publishers are induced to believe, that among the numerous advocates for the reading and study of these invaluable writings, within the compass of the United States, they will meet with sufficient encouragement to warrant their undertaking so large a work.—They have accordingly made arrangements for putting it to press early the present year; and as they rely upon the patronage of the readers of the Holy Scriptures, the utmost attention shall be given to furnish them with as correct and handsome an index to the Bible, as the best London copy.

CONDITIONS. This work will be printed in one quarto volume containing upwards of 1000 pages, on a fine wove paper, and a beautiful, new, American type.

It will be delivered to subscribers, bound in calf, at 10 dollars; well bound in sheep 9 dollars 50 cents; and in boards at 8 dollars 50 cents, and no money required till the completion of the work.

Subscriptions are received in Philadelphia, by the publishers—In Baltimore, by Messrs. Vincent & Peter Bernal, Samuel Butler, James Rice & Co. M. & J. Conrad & Co. John Hager, George Hill, Warner & Hanna, and Izak Proctor, and by all the principal booksellers throughout the United States.

Those who subscribe for ten copies, or obtain ten subscribers, and become answerable for the payment, shall be entitled to one copy gratis. N. B. A list of subscribers names will be added to the work. January 15

French Night School—Ecole Francaise.

NOTICE is hereby given, That I, the subscriber, Teacher and Translator of the French and English Languages, intend to open the FRENCH SCHOOL, in my common dwelling, on the 25th instant; and if 43 years experience, in giving tuition in this line, in different parts of the United States, wit success, are not sufficient to entitle me to a share of encouragement, I beg those promising youths, who have a desire to become scholars, to apply to friend Philip Thomas, at the sign of the golden key, Baltimore-street, where they can be acquainted with my short, yet grammatical manner of Teaching.

AS I can devote some leisure hours in the day time, to the instruction of a few scholars, I should be happy to make an engagement. JOSEPH PAILLOTTET, South Charles-street. 6m—1°

VENEREAL COMPLAINTS

A S Dr. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vendid or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.

Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.

N. B. Dr. Warner has removed from Bond-street, to Cumberland Row, No. 64, below the Marsh-market.

20,000 Numbers.

Not two Blanks to a Prize.

The tickets to be sold in Halves, at five dollars each.

The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery—Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax. The Managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The managers have given bond for the faithful performance of their trust.

Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1-2 per cent.—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.

N. B. Letters to either of the Managers enclosing the cash, post paid, will be duly attended to. The managers promising to keep a register of all names of adventurers at a distance, and to furnish them with the fate of their tickets, in any part of the continent, when the drawing is finished.
