French Night School—Ecole Francaise.

NOTICE is hereby given, That I, the subscriber, *Teacher and Translator of the French and English Languages*, intend to open the *French School*, in my common dwelling, on the 26th instant; and if 43 years experience, in giving tuition in this line, in different parts of the United States, with success, are not sufficient to entitle me to a share of encouragement, I beg those promising youths, who have a desire to become scholars, to apply to friend Philip Thomas, at the sign of the golden key, Baltimore-street, where they can be acquainted with my short, yet grammatical manner of Teaching.

AS I can devote some leisure hours in the day time, to the instruction of a few scholars, I should be happy to make an engagement.
JOSEPH FAULOTTE,
South Charles-street.

REPEAL COMPLAINTS

AS Dr. WARNER'S practice has been very extensive both in public and private, his experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vendored or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the venereal disease, and debility thereof, from various causes and accidents, removed in the shortest possible space of time. As these persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.
Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicine so prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.
N. B. Dr. Warner has removed from Bond-street, to *Camden Row, No. 44, below the Marsh-market.*

CRUDEN'S CONCORDANCE.

PROPOSALS
By *Kimber, Conrad & Co.*
For Publishing by Subscription that Valuable Work, entitled A

COMPLETE CONCORDANCE
TO THE
Holy Scriptures
OF THE
OLD & NEW TESTAMENT;
OR A
DICTIONARY & ALPHABETICAL INDEX
TO THE BIBLE.

Very useful to all christians who seriously read and study the inspired writings. In two parts—containing,

I. The appellative or common words, in so full and large a manner, that any verse may be readily found by looking for any material word in it. In this part the various significations of the principal words are given, by which the true meaning of many passages of Scripture is shown—an account of several Jewish customs and ceremonies is also added, which may serve to illustrate many parts of Scripture.

II. Proper names in the Scriptures—To this part is prefixed a table, containing the significations of words in the original languages from which they are derived.

To which is added,
A CONCORDANCE TO THE BOOKS CALLED
APOCRYPHA.

The whole digested in an easy and regular method; which, together with the various significations and other improvements now added, renders it more useful than any book of the kind hitherto published.

By *ALEXANDER CRUDEN, A. M.*
This excellent work having gone through five editions in England, and never yet been printed in America, the publishers are induced to believe, that among the numerous advocates for the reading and study of those invaluable writings, within the compass of the United States, they will meet with sufficient encouragement to warrant their undertaking so large a work.—They have accordingly made arrangements for putting it to press early the present year; and as they rely upon the patronage of the readers of the Holy Scriptures, the utmost attention shall be given to furnish them with as correct and handsome an index to the Bible, as the best London copy.

CONDITIONS.
This work will be printed in one quarto volume containing upwards of 1000 pages, on a fine wove paper, and a beautiful, new, American type.

It will be delivered to subscribers, bound in calf, at 10 dollars; well bound in sheep 9 dollars. 50 cents; and in boards at 8 dollars 50 cents, and no money required till the completion of the work.

100 Dollars Reward.
RAN away from the subscriber, last March was twelve months, a negro man named *ROBERT*, but generally called *Bob*—he is about 30 years of age, 6 feet high, of a yellowish complexion, with a large scar on his inster, from a burn, with remarkable small legs and thighs, but very large feet; uncommon thick lips, a good set of teeth, & a large head—he passed as a free negro manumitted by the Huns; he was living near Baltimore for near 9 months past, with a free mulatto woman as his wife—they have both moved of late down the neck in the wood-cutting, but supposed if gone further, to be in the Wood cutting near Joppa. It is likely he will be in Town or at the Point in the holidays to see his acquaintances. No doubt is entertained but what he has a forged pass. Whoever will take up the said runaway, and lodge him in any goal, so that I get him again, shall receive the above reward.
SAM. C. HUNT.
Mountpleasant, Baltimore county,
December 21 (31) d

100 Dollars Reward.
RAN away from the subscriber on the 23d of February last, a Negro named *JIM*, 19 years of age, 5 feet 6 or 7 inches high, square built, black brown complexion, a small scar under one of his eyes and had one on each cheek, the white of his eyes are mixed with a yellowish red, and a good countenance; he has a hurt in one of his legs, which is not perceivable unless he walks buck. His dress when he went away was a blue baize outside jacket lined with green, longer than common—a blue inside ditto half worn, a grey fearnought pair of breeches, a coarse shirt, white yarn stockings and two pair of shoes. He is an artful villain and will change both name and dress, and will endeavor (through the means of his father who lives on Fell's Point) to pass for a free man and no doubt will enter on board some vessel as such. This is the 5th time he has run off—He ran away the 3d of January 1801, and was caught in York county, Pennsylvania, and lodged in Little York jail. If he is taken up in Maryland I will pay fifty dollars and reasonable expenses if brought and delivered to me—if in any other state the above reward, and all reasonable expenses on his being delivered to
Wm. STENSON.
N. B. All masters of vessels are warned not to take him away.

THE Managers of this Lottery flatter themselves, from the elevated and healthy situation chosen by the Commissioners appointed for erecting the Market-house, that it will be of the greatest utility and advantage, to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.

As the above Scheme offers every possible encouragement to adventurers, from the many valuable Prizes it contains, and there being considerably less than two Blanks to a Prize, and all Prizes payable in 60 days after the drawing of the Lottery is completed without any deduction, the Managers entertain the greatest hopes of such a speedy sale of the Tickets, as may enable them to commence drawing without loss of time.

Such Prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the Market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the Managers have given bond to the State of Maryland in the sum of 30,000 dollars, for the due performance of the trust.

CHRISTOPHER JOHNSTON,
EENEZER FINLEY,
DANIEL LAMMOT,
JOHN KENNEDY,

Not two Blanks to a Prize.

The tickets to be sold in Halves, at five dollars each.

The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery—Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax.—The Managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The managers have given bond for the faithful performance of their trust.

Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1/2 per cent.—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.

Wm. CARMAN, 6th, O'Donnell's wharf.
WILLIAM LIVESAY, 10, Pratt-street.

N. B. Letters to either of the Managers enclosing the cash, post paid, will be duly attended to. The managers promise to keep a register of all names of adventurers at a distance, and to furnish them with the fate of their tickets, to any part of the continent, when the drawing is finished.
