For Sale,

A TRACT OF LAND in Baltimore county, containing about six hundred acres; 4 hundred of which are supposed to be in wood. On this tract there is a handsome piece of meadow, and a young thriving apple orchard. This land is about 28 miles from the city of Baltimore, and not far from Colonel O'Donnell's country residence, purchased of Mr. William Buchanan.

ALSO, A TRACT OF LAND containing about 300 acres, about 14 miles from the city of Baltimore, west of Randall's town. On this last mentioned tract there is a stone dwelling HOUSE, just finished, with convenient cellars, two rooms and a passage on the first floor, three rooms and a passage on the second floor, and a garret; a new stone stable, corn house and coach house; an overseer's house with two rooms, lately repaired at the expense of two hundred dollars; kitchen and other out houses, an excellent apple orchard, with other good fruit trees, and good garden. On both places there is water, not exceeded in the county; and good clover lots. No place can exceed them in respect of health. There is a proportionate part of woodland on the last place. I will permit the purchasers to seed the ensuing fall, or I would seed for them. The dwelling house on the last mentioned farm might be immediately taken possession of by the purchaser. Presuming that no person will purchase without viewing the premises, I do not go into detail. Both of the above places are convenient to mills; there is a mill not more than a quarter of a mile from the last mentioned place; a good neighbourhood, and the Episcopal and Presbyterian churches within five miles. An indisputable title will be given on the payment of the purchase money. **JOHN SCOTT,** St. Paul's Lane, Baltimore. w6sf July 3
