Abner Tucker,
Now on a tour for his health, Respectfully informs the Ladies and Gentlemen of Baltimore, that he has brought with him **A MODEL IN WOOD, OF THE ANCIENT CITY OF JERUSALEM.**
THIS ingenious piece of mechanism, so universally admired by every person who has seen and heard it explained, is laid out on a scale of sixteen by nine feet. The LECTURE upon it is long, and calculated to impress the mind with a solemn awe of the Deity, while we see before our eyes the trial and crucifixion of our Divine Saviour.
Those who wish to examine it will do well to improve the present opportunity, by calling at No. 8, Market-space, where they will be admitted for the moderate sum of 25 cents, children for half price. He can with confidence invite all, and particularly the religious of every denomination to attend his Lectures.
Among other objects worthy of notice, are the seven mountains in the vicinity of the city and several species of fruit on trees, six feet high.
He informs the citizens, that his hours of exhibition are from 10 o'clock in the morning, until 10 at night.
Dec. 23

AN ACT,
Granting additional compensation to the Harbor Master of the Port of Baltimore.
Whereas it is represented to this General Assembly, that the compensation now granted to the Harbor Master of the Port of Baltimore is an insufficient remuneration for his attention, and services in that capacity; and whereas it is reasonable that foreign vessels coming into said port for the purpose of commerce, should contribute their proportion of an additional allowance in conformity to the usages of our sister states and foreign nations.
Therefore, be it enacted by the General Assembly of Maryland, that it shall, and may be lawful for the Harbor Master of the said port, to ask, demand and receive of and from the captain or commander of every foreign vessel coming into the said port for the purposes of trade and commerce, the sum of Five Dollars, as an additional compensation to the said harbor master for his care and diligence in the regulation of said harbor, and providing a proper station for said vessels. And be it enacted that in case of refusal or delay in making such payment, it shall and may be lawful for the said Harbor Master to sue for and receive the same before a single magistrate, as small debts out of court are now recovered.
CHARLES GIBSON, Committee Clerk.

A Reward of Five Dollars
WILL be given to any person or persons giving satisfactory information, who the author of a certain "communication" published in the Federal Gazette the 17th and likewise in the American the 19th inst. which declares the strange female Preacher now in this city, not to be a member, or in connection with the society of friends, &c. &c.
It is not my wish to intimate that she "now is, or ever was" a member of said society; for I know she is not—and she uniformly makes such declaration herself, in her public assemblies—but because the "communication" seems to have an official appearance, and seems to breathe a spirit of persecution; & least it may, be conceived by the different religious societies and others of this city, that it was done by the authority or consent of the people called Quakers (who would spurn at such an unchristian proceeding) I positively deny their knowledge of that publication. Therefore it seems necessary to know the very officious author, that he may (if in his power) produce his authority for such an unbecoming attempt to do injury to a poor lonely female. A FRIEND TO ALL PEOPLES.
N. B. The above reward will be paid by the printer, if satisfactory information is given before the proper authority, as above stated; and the money is deposited in the hands of the editor.

French Night School.
NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but as to promise to do wonders in half of my pupils—I have no need, it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years; I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.
JOSEPH PAULLOTTE.

TO BE SEEN,
Two Dromedaries,
FROM ARABIA.
THESE are the first of the species ever imported into this country. The value of them is such, that the Arabian possessors of this Dromedary, has nothing either to want or to fear. They will travel at the rate of a hundred miles in a day, 5 or 6 days together, without either eating or drinking. They are part like the horse, cow, sheep, and the rabbit, and are the most docile animal in the world. They kneel down, take on their load, and wait the pleasure of their keeper to rise. They arrive at their full growth at 6 years old, which is about 20 hands high, and live to the age of 40 or 50 years. The oldest of the above is forty years, and the youngest 17 months.
These astonishing Animals are to be seen at No. 36, opposite the lower Marsh-market. It is to be hoped the Ladies and Gentlemen of Baltimore will not lose this favourable opportunity, which may be the only one (at least for many years) of viewing these surprising animals, so much spoken of by naturalists and Historians.
Admittance 25 cents, children half price
December 18

Hannah Wiebert,
A NINTENDED GERMAN SERVANT WOMAN, ran away from the subscriber about the first of September last. She is between 18 and 20 years of age; and is about the common size—of somewhat clumsy form, with a little of a bend about the neck and shoulders. She has a down look—has little hair, which is of a light color—her complexion fair, with rather a mixture of sawnness. Her head and face flat, the latter of which, when she is at work, she is in the habit of twisting in a variety of ugly shapes.
She took with her, a dark calico gown, and several cotton striped dresses, and a Leghorn bonnet trim'd with black.
It is supposed she went off with a German, a butcher. She arrived in this country, with her father, from Wirtemberg about a year since—his name is Jacob Wiebert, and he is, by profession, a gardener. Since her flight he left the city, and, no doubt, he is now with her. She could speak some little English, but her father could not.
TEN DOLLARS
Will be paid by the subscriber, if said run-away is secured so as he can get her again.
