

TO BE SEEN,

Two Dromedaries, FROM ARABIA.

THESE are the first of the species ever imported into this country. The value of them is such, that the Arabian, possessed of his Dromedary, has nothing either to want or to fear. They will travel at the rate of a hundred miles in a day, 5 or 6 days together, without either eating or drinking. They are part like the horse, cow, sheep, and the rabbit, and have the most docile animal in the world. They kneel down, take on their load, and wait the pleasure of their keeper to rise. They arrive at their full growth at 6 years old, which is about 20 hands high, and live to the age of 40 or 50 years. The oldest of the above is forty years, and the youngest 17 months.

These astonishing Animals are to be seen at No. 36, opposite the lower Marsh-market. It is to be hoped the Ladies and Gentlemen of Baltimore will not lose this favourable opportunity, which may be the only one (at least for many years) of viewing these surprising animals, so much spoken of by naturalists and Historians.

Admittance 25 cents, children half price. December 18

French Night School.

NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Languages, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but as I promise to do wonders in behalf of my pupils—I have no need, it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years; I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 1st of March.

JOSEPH PAILLOTTEE. Private tuition, any hour during the day, as to accommodate the different scholars. September

Hannah Wiebert,

AN INDENTED GERMAN SERVANT WOMAN, run-away from the subscriber about the first of September last. She is between 18 and 20 years of age; and is about the common size of one that eludes form, with a little of a bend about the neck and shoulders. She has a down look—has little hair, which is of a light color—her complexion fair, with rather a mixture of sallowness. Her head and face flat, the latter of which, when she is at work, she is in the habit of twisting in a variety of shapes. She took with her, a dark calico gown, and several cotton striped dresses, and a Leghorn bonnet trimmed with black. It is supposed she went off with a German, a buche. She arrived in this country, with her father, from Wittenburg about a year since—his name is Jacob Wiebert, and he is, by profession, a gardener. Since her flight he left the city, and, no doubt, he is now with her. She could speak some little English, but her father could not. A REWARD.

TEN DOLLARS Will be paid by the subscriber, if said run-away is secured, so as he can get her again. W. PECHIN. Nov. 25
