TO BE SEEN
Two Dromedaries,
FROM ARABIA.
THESE are the first of the species ever imported into this country. The value of them is such, that the Arabian, possessed of his Dromedary, has nothing either to want or to fear. They will travel at the rate of a hundred miles in a day, 5 or 6 days together, without either eating or drinking. They are part like the horse, cow, sheep, and the rabbit and are the most docile animal in the world. They kneel down, take on their load, and wait the pleasure of their keeper to rise. They arrive at their full growth at 6 years old, which is about 20 hands high, and live to the age of 40 or 50 years. The oldest of the above is forty years, and the youngest 17 months.
These astonishing Animals are to be seen at No. 56, opposite the lower Marsh-market. It is to be hoped the Ladies and Gentlemen of Baltimore will not lose this favourable opportunity which may be the only one (at least for many years) of viewing these surprising animals, so much spoken of by naturalists and Historians.
Admittance 25 cents, children half price.

A Stray Negro Child
CAME to the House, No. 3, second door from the corner of Granby and Great George-street, on Tuesday last, a smart likely Negro Girl, apparently between 6 and 7 years of age; she calls herself SUSAN, and says she belongs to a Mrs. Johnson in Howard-street. She has been sent by an intelligent hand to find her house, but to no purpose, she appears to be an artful little hussey, and by no means willing to leave her present residence. Whoever has lost a little Negro Girl, it is expected they will call and identify her, pay charges and take her away.

To the Voters
Of the City and County of Baltimore.
GENTLEMEN,
BEING solicited by many friends, both in the city and county, to offer myself a candidate for the Office of SHERIFF. I have taken the liberty of soliciting your suffrages at the ensuing election, as I conceive myself qualified (from long experience as assistant to the present and two preceding sheriffs) to discharge the important duties attached to that office.—My engagements will continue to prevent a personal application to each individual, whose approbation, an ambitious to possess; but if correctness, diligence, and every degree of humanity, consistent with the interest due to an indulgent public, are becoming requisites.—I hope the want of a personal interview will be no material objection against the
Public's humble servant,
JOHN HUNTER.

The Widow Paul
HAS Removed from her late dwelling in Harrison-street to LIGHT-LANE, three doors above Mr. Bryden's Fountain Inn, where she and her daughters will continue to make and REPAIR UMBRELLAS, and to carry on the MILLINERY BUSINESS in its various branches. She only begs, the continuance of that kind patronage of a generous public, which she has already received, and hopes to show her gratitude by the attention and dispatch to all orders committed to her care.
Oiled Silk Hats, Cozzers and Bathing Caps are constantly kept on sale.

VENEREAL COMPLAINTS.
AS Dr. WARNER's practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.
Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared, that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.
N. B. Dr. Warner has removed to the corner Calvert and Bank-streets.

French Night School.
NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but as to promise to do wonders in behalf of my pupils—I have no need, it suffices to tell them that no language can be learned without grammatical rules, even as far as translation the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years; I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.

He is about 18 years of age, 5 feet 4 inches high, of stout make, with a well curled hair, and much freckled. His clothing cannot be particularly described, but his mode of dressing was plain and tidy; and as he was in possession of a brown coating watch coat, it is probably he wears that to accommodate himself to the season. As, for some time past, he has expressed a desire of visiting Cincinnati, in the Western country, to follow certain of his friends who have lately migrated from hence, toward quarter, it is thought highly probable he has bent his course that way. The above reward will be paid if taken out of the state, and if within the state, thirty dollars will be paid. And in both cases all reasonable charges.
