years as a foreman, and two years as a master,
he shall be enabled to give every satisfaction
to those gentlemen who may please to honor
him with their business; and as C. M'Kenzie
is the only person at present in this city, who

AND REMOVAL.
THE Subscriber begs leave to inform the
public, that his present House in Franklin-street
is too distant from the residence of many
friends who wish to promote, and to encourage
his usefulness—he has therefore engaged a
commodious House in Lexington-street, the
third door east of Howard-street, and next to
that of Oliver Pollock, esq. For the present
he will only pledge himself to accord with
the following highly respectable vouchers—and
that on Tuesday the 20th inst. he commenced
in the house last mentioned.
P. EDWARDS.
Frederick Town, April 25, 1866.

WE, the undersigned, having attended to
and frequently visited the school taught by Mr.
Patrick Edwards in this place, several of us
having children under his management, feel a
pleasure in publicly expressing our satisfaction
of the progress made by all the children under
his care, in the first rudiments of the English
language, and the correctness with which they
read; and it is justly due to Mr. Edwards to
declare that their very performance surpassed
our most sanguine expectations. Witness our
hands.

N. B. The mode Mr. Edwards teaches by
we think far preferable to any heretofore prac-
tised by any teacher.
Extract of a letter from Mr. W. ADDAMS to a
respectable house in this city, dated Frederick-
Town, April 25, 1866.
"Mr. Edwards's method of teaching is en-
tirely new, and only practised by himself &
my children that have been under his care,
have made a most astonishing progress; par-
ticularly my eldest son, now six years old, who
has been under the tuition of Mr. Edwards
about nine months; his improvement is rather
a prodigy in the tuition of children, he having
only an ordinary capacity."
