In Baltimore County Court,

MAY 15, 1806. ON application to the Judges of the said County Court, by petition in writing of William Starr, surviving partner of William Starr and Joseph Price, of said County, praying the benefit of the Act for the Relief of sundry Insolvent Debtors, passed at November Session, Eighteen Hundred and Five, on the terms mentioned in the said Act; a schedule of his property and a list of his creditors, on oath, as far as he can ascertain them, as directed by the said Act, being annexed to his petition; and the said County Court being satisfied by competent testimony, that the said William Starr has resided the two preceding years within the State of Maryland, prior to the passage of said Act; and the said William Starr, at the time of presenting his petition as surviving partner of William Starr and Joseph Price as aforesaid, having produced to the said Court, the assent in writing of so many of his creditors as have due to them the amount of two thirds of the debts due by him at the time of passing the said Act.

It is thereupon so judged and ordered, by the said Court, that the said William Starr, (by causing a copy of this order to be inserted in some one of the daily papers of the city of Baltimore, for three months before the seventh day of October next) give notice to their creditors to appear before the said County Court, at the Court House in the said County, at ten o'clock in the forenoon of the said seventh day of October next, for the purpose of recommending a trustee for their benefit, on the said William Starr, then and there taking the oath by the said Act prescribed for delivering up their property.

50 Dollars Reward.

RAN away on Saturday the 27th inst. from the country residence of the subscriber, a Negro Man called PETER, formerly owned by Mr. Joseph Young, of this city. He is about 2 feet 6 inches high, stout made, rather handsome than otherwise, has tolerable good teeth, was very lame when he went off, owing to the wheel of a carriage in cleaning it falling upon his foot; has a particular aversion to giving a direct answer; but always says, "I reckon," to every question the most positive; and is constantly talking to himself as if mumbling. His clothes were numerous, among them was a blue cloth coat, a brown cloth coat rather rusty, though not much worn; a dove colored twilled mackinac coat, considerably faded from washing, the sleeves of which have been let out; several handsome Marcellis vests of different patterns, all very short; shirts of fine white Irish linen; pantaloons and garters of India mackinac, very good, and of the present mode; a fashionable Beaver hat, quite new, maker's name in the crown, Wm. Branson, Hatter, 131, Market-street, Baltimore. The above reward will be given for apprehending said negro, out of the state, and lodging him in jail so that I get him again; or thirty dollars if within the state. All masters of vessels and others are forewarned of hiring or employing him under penalty of the law to its utmost extent.

300 Dollars Reward.

RAN away from the subscriber, living at the White Marsh, Prince George's county, three slaves, named Simon, Michael and Bill. The first ran away on Whit Sunday, 1805; he had procured the pass of a free negro called Moses Queen, and may probably have assumed the name. Simon is a dark mulatto, about twenty two years old, 5 feet, 3 or 4 inches high, long face, has a strong voice, down cast look when spoken to. It is suspected he went towards Philadelphia, where he has several relations of the Queen family.

Michael, brother to Simon, went away about six weeks ago, is two years younger, nearly the same height, but not so slender. Had on when he went away, a blue vest, Welch kersey short coat and nankeen pantaloons. The father of these two men, is a free negro called Simon Queen, now working about Baltimore, or in the neighborhood thereof.

Bill, cousin to Simon & Michael, is a bright mulatto, about twenty-two years of age, nearly 6 feet high, has lost two of his upper front teeth, and stammers in his speech; he went away last Sunday night. Had on nankeen pantaloons and kersey round jacket.

Whoever will apprehend the abovementioned slaves, or any of them, and lodge them in jail, so that the subscriber gets them again will be entitled to fifty dollars for each, if apprehended in Maryland; and one hundred dollars for each, if taken out of said state. Moreover, all reasonable charges if brought home, to be paid by—

RAN AWAY from the subscriber, on the 5th instant, a dark mulatto man, named MIKE, about 30 years of age, five feet 8 or 9 inches, much bruized in the face; his eyes bloodshot when he went away, occasioned by fighting; he is lame in his right leg, the ankle quite stiff, and his foot stands very much to the off side; his wool is long and he generally wears it platted; he is very fond of playing on the fiddle. He took with him a good many clothes, among which was a red kersey round jacket and trousers of the same; one pair of coarse country linen trousers; two shirts, and one Irish linen shirt; one spotted calico round jacket; one white Marcellis under jacket, and some other clothing not recollected. Fire Insurance.

THE SUBSCRIBER HAVING RECEIVED POWERS AND INSTRUCTIONS FROM THE PHOENIX COMPANY OF LONDON,

Is fully authorized to effect insurance on Houses, Buildings, Stores, Ships in Harbor, Goods, Wars and Merchandise, in any part of the state of Maryland.

FROM LOSS OR DAMAGE BY FIRE.

On terms so moderate, as will, it is presumed, make it the interest of all to resort to a measure so well calculated to give additional security to commercial transactions, and to afford protection from the injury which Fires have so often occasioned.

In this Office, no insured person is liable to any call to make good the losses of others; but in case of Fire, the Sufferer will be fully indemnified with that liberality and promptness which have always distinguished this Company; requiring no other delay (even where presumption of fraud appears than is necessary to distinguish the honest Sufferer from the fraudulent incendiary.

As a proof of the usefulness of this Institution, and the benefit that individuals have derived from it, it is only necessary to state, that since the commencement of the Office, in 1793, near SEVEN MILLIONS OF DOLLARS have been paid to claimants upon the Policy.

The following is published for the information of the subscribers to the Office.

CONDITIONS OF INSURANCE.

I. PERSONS desirous to make Insurance on Buildings, are to deliver to the Agent the following particulars, viz—Of what materials the walls and roof of each building were constructed, as well as the construction of the buildings, whether as private dwellings, or for other purposes; also, the name or names of the present occupiers.

Each building must be separately valued, and a specific sum insured, thereon, to be in full of the value of the same, as insured on the policy contained therein.

All materials, such as chimneys, furnaces, kilns, stoves, ovens, &c. or otherwise used for heat, are to be charged at all national rates.

In the insurance of Goods, Ware, or Merchandise, the building or place in which the same are deposited, is to be described, also whether covered, or any of the kind, denominated hazardous, and whether any ornamental or valuable articles are carried in the premises. And if any person or persons shall insure his or their buildings, or goods, and shall cause the same to be described in the policy otherwise than as they really are, so as to cause a charge at a less premium than would be demanded in the true situation or quality of the buildings, or goods, were made known, such insurance shall be of no force.

II. Goods held in trust, or on commission, are to be insured as such, otherwise the policy will not extend to cover such property.

III. No loss or damage to be paid on fire happening by any invasion, from an enemy, civil commotion, riot, or any military or usurped power, whatever, or for damage done by fire occasioned by earthquakes or lightning; but this company will make good losses on property burnt by lightning.

IV. Books or accounts, written securities, bills, bonds, tallies, and ready money, cannot be insured.

V. Jewels, plate, medals, or other curiosities, paintings and sculptures, are not included in any insurance, unless such articles are specified in the policy.

VI. Persons insuring property at this office, must give notice of any other insurance made elsewhere on their behalf on the same, and cause such other insurance to be endorsed on their policies; in which case each office shall be liable to the payment only of a ratable proportion of any loss or damage, which may be sustained; and unless such notice is given, the insured will not be entitled to recover in case of loss.

VII. No order for insurance will be of any force, unless the premium is paid to the agent, or unless a sum has been advanced, and the agent has delivered his receipt on account of the office; and all persons desirous to continue their insurances, must make their future payments annually within fifteen days after the day limited by their respective policies, or the same will be void.

VIII. All persons assured by this company, sustaining any loss or damage by fire, are bound to give notice to the company's agent, and as soon as possible after, to deliver in as particular account of their loss or damage, signed with their own hands, as the nature of the case will admit of, and make proof of the same by their oath or affirmation, and by their books of accounts, or other proper vouchers, as shall be reasonably required; and shall procure a certificate, under the hand of a magistrate or sworn notary of the city or district in which the fire happened, not concerned in such loss, certifying that they are acquainted with the character and circumstances of the person or persons insured, and do know, or verily believe, that he, she, or they, really, and by misfortune, without any kind of fraud or evil practice, have sustained by such fire, loss or damage to the amount therein mentioned; and, until such affidavit and certificates are produced, the loss money shall not be payable; also, if there appears any fraud or false swearing, the claimant shall forfeit his claim to restitution or payment, by virtue of his policy.

IX. In case any difference or dispute shall arise between the assured and the company, touching any loss or damage, such difference may be submitted to the judgment and determination of arbitrators indifferently chosen, whose award in writing shall be conclusive and binding to all parties. And when any loss or damage shall have been duly proved, the insured shall receive satisfaction, to the full amount thereof, without allowance of any discount, fees, or other deduction whatever.

X. Persons choosing to insure for seven years, will be charged for six years only; also, for a less number of years than seven, will be allowed a reasonable discount.

Pitch, Tar, Turpentine, Saltpetre, Flax, Hemp, Oils, and Tallow, are deemed hazardous goods; Tallow-melters, Soap-makers, Brewers, Dealers in Spirituous Liquors, Vinegar and Sweet-makers, Hemp and Flax-dressers, Printing-houses, Coopers, Capenters, Cabinet-makers, Coach-makers, Mill-houses, Bakers, Ship-chandlers, Boat-builders, Rope-makers, Sugar-refiners, Distillers, Chymists, Varnish-makers, Turpentine-workers, Theatres, and all Mills and Machinery, are deemed extra-hazardous, and the rate upon such risks will be proportionally increased.

Ships in port, and their cargoes; ships building or repairing; also barges, and other small craft, with goods on board, may be insured against fire, at 75 cents for one year—45 cents for six months, and 37 1-2 cents for three months per 100 dollars.

Barns, Stables, Hay and grain contained in them, or in stacks or ricks, and live stock, will be insured at such premium as may be agreed on.

The rates on buildings, (and on property contained in them) depend so much on the materials

of which they are constructed, that it is necessary to respect to other buildings, that may be situated near and hazardous, that particular attention is to be paid to these circumstances in the order of insurance.

In cases requiring a Surveyor's report, or plan of the buildings, where there are several, showing their situation with respect to each other and to other buildings, such survey or plan must be furnished by the Assured, or at his expense; but, where a clear description of the property can be given, of which the Agent must be the judge, they may be dispensed with. The Assured is subject to no charge or expense in this Office, except 50 cents for the Policy.

In stating the sums for which insurance may be requested on any property, it should be recollected that the sum insured is the object of insurance against fire, and that light, or expected profits, or advantages, beyond a just estimate of the value of the property destroyed, is against the principles of the contract.

Orders left at the Marine Insurance Office, in Second-street, will be attended to.

DAVID STEWART, Agent for the Phoenix Assurance Company of London.

The Phoenix Company having Agents in Philadelphia, New-York, Charleston, Savannah, and New-Orleans, the names of the respective Agents, are referred to the respective Agents.
