This day is finished,

AN ADDITION OF 6000 Spelling Books, From the 4th and last English edition. BY LINDLEY MURRAY.

Author of English Grammar, Introduction to English Grammar, English Reader, Exercises, &c. &c.

The above work is comprehended under THREE general divisions. One of the principal objects of the FIRST PART, is, to teach an accurate pronunciation of the elementary sounds, &c.

The SECOND PART of the work affords the learner considerable aid in pronunciation, as well as in orthography. The words of two syllables are not only classed in chapters, according to their accent, but they are arranged in sections, adapted to the sounds of vowels and diphthongs, whether short, long, middle or broad.

The THIRD PART consists of words less familiar to children than those of the preceding parts; of rules for spelling and pronunciation; and of miscellaneous chapters, calculated to give the learner a radical knowledge, and diversified views of the subject.

The lessons for spelling, in every section, are illustrated by short appropriate reading lessons. The orthography of Johnson, and the pronunciation of Walker have been adopted in Murray's Spelling Book—and it is presumed they are authorities which few persons will be inclined to dispute.

Also just received, 2000 copies of a N. W. Spelling Book, called THE PHILADELPHIA DILWORTH'S SPELLING BOOK, IMPROVED.

The present edition being on the same plan of a late Glasgow publication (with considerable improvements) is confidently recommended to the serious attention of teachers, parents and guardians.

On Hand, A general assortment of SCHOOL BOOKS and STATIONARY—which will be sold on accommodating terms to those who buy for retail.

All kinds of Book and Job Printing, Commercial and Law Blanks, &c. &c. executed in the neatest manner at the established prices, by GEORGE DOBBIN & MURPHY, No. 10, Baltimore-st. opposite Centre market Dec. 5 d

Ten Dollars Reward,

LOOK OUT!

RAN away from the office of the American, yesterday morning, after neglecting to ferry a great number of subscribers to this paper in his usual round, JOHN BROWN, carrier of the American for Old-Town. He is nearly 16 years of age; about four feet ten inches high; has flaxen hair, a fair complexion, and red and full cheeks: His face is rather round than long; he does not speak fast, but somewhat plausibly. He was seen yesterday morning in Old-Town. It is believed that he has made the best of his way to Frederick-town, being the son of George Brown, miller, in the vicinity of that place. He had on a pair of Bennet's cord pantaloons, striped (the stripes running crosswise) swan-down waistcoat and brown cloth sailor jacket; a new hat, good shoes and stockings. Whoever will apprehend the said boy and bring him to the Printing-Office of the American, or secure him in any jail so that his master gets him again, shall have, if taken in the city of Baltimore, five dollars; and if out of the county the above reward.

N. B. Those who harbor John Brown, be they relatives, friends or strangers to him, may depend upon being prosecuted with the utmost rigor that the law will justify.
