Monday Morning, April 27, 1867.

IN COUNCIL, March 20, 1867.
ORDERED, That the act, entitled, An act to prevent free negroes from selling any corn, wheat or tobacco, without having a license for that purpose from a justice of the peace, and to prohibit the evil practices arising from negroes keeping dogs, and to prohibit them from carrying guns or offensive weapons; be published once in each week, until the first day of May next, in the Maryland Gazette, at Annapolis, the American and Federal Gazette, at Baltimore, the Republican Advocate, at Fredericktown, the Maryland Herald, at Hagerstown, and Republican Star, at Easton.
By order,
NINIAN PINKNEY,
Clerk of the council.

An Act to prevent free negroes from selling any corn, wheat or tobacco, without having a license for that purpose from a justice of the peace.
WHEREAS great inconvenience is felt in this State in consequence of free negroes receiving stolen corn, wheat and tobacco, from slaves, and selling the same as the production of their own labor; therefore,

Be it enacted, by the general assembly of Maryland, That from and after the first of May next, no free negro shall sell any corn, wheat or tobacco, unless, at the time of his or her selling the said article or articles, he or she shall be possessed of a certificate, under the hand and seal of a justice of the peace of said county, that he or she is a peaceable and orderly person, and of good character, which certificate shall be of force for one year, and no longer.

And be it enacted, That if any free negro shall be contrary to the provisions of this act, the person so offending shall incur the penalty of five dollars for every such offence, one half to the informer, the other half to be applied to the use of the county, and to be recovered as other fines and forfeitures, before a justice of the peace in the county where such offence shall be committed.

And be it enacted, That any person who shall purchase or receive in any free negro any corn, wheat or tobacco, contrary to the provisions of this act, shall forfeit and pay, for every offence, the sum of ten dollars, one half to the informer, the other half to be applied to the use of the county in which such offence was committed, and to be recovered and applied in the same manner as other fines and forfeitures are by this law directed to be recovered and applied.

And be it enacted, That it shall be the duty of every justice of the peace, clerical and constable, to give information at every violation of this act that shall come to his knowledge.

An Act to restrain the evil practices arising from negroes keeping dogs, and to prohibit them from carrying guns or offensive weapons.
Be it enacted, by the general assembly of Maryland, That after the first day of May next, it shall not be lawful for any negro or mulatto within the State to keep any dog, bitch or gun, except he be a free negro or mulatto, and in that case he may be permitted to keep one dog, provided such free negro or mulatto shall obtain a license from a justice of the peace for that purpose, and that the said license shall be of force for one year, and no longer; and if any dog or bitch owned by any negro, not possessed of such license, shall be seen going at large, it shall and may be lawful for any person to kill the same, and in case of any fair mitigation therefor, the person or persons killing the said dog or bitch may plead the general issue, and give this act in evidence.

And be it enacted, That after the said first day of May next, it shall not be lawful for any free negro or mulatto to go at large with any gun, or other offensive weapon, or in case any free negro or mulatto shall be seen going at large, carrying a gun or other offensive weapon, he shall be liable to be carried before a justice of the peace, directed of a constable of the county, and on conviction of having violated the provisions of this section of the act, such offender shall thereupon forfeit, to the use of the informant, such gun, or other offensive weapon, which shall be subject to the coils which shall have accrued in such prosecution; provided that nothing in this act shall extend to prevent any free negro or mulatto from carrying a gun, or other offensive weapon who shall, at the time of his carrying the same, have a certificate from a justice of the peace, that he is an orderly and peaceable person, which certificate shall be in force for one year from the date thereof, and no longer.

And be it enacted, That it shall be the duty of the constable of every hundred to repair once a month, and of every information be given him of tumultuous meetings of mulattoes, negroes or slaves, to all suspected places within his hundred, and if he shall find any mulatto or negro not a slave, at any such meeting, it shall be the duty of the constable forthwith to carry such mulatto or negro, so offending, before some magistrate of the county, who shall thereupon commit such person to the common goal, unless he or she shall enter into a recognizance, with such security as said justice shall require, for his or her good behavior, and also to appear before the next county court, to answer for such offence in such manner as is prescribed by law for the trial of crimes and misdemeanors within this State, and if such person shall be found guilty of violating any of the provisions of this act, he shall be fined, or imprisoned, for such offence, at the discretion of the court; and if such constable shall find at any such meeting as aforesaid, any slave besides those belonging to the owner of such place, not having permission in writing from his owner or overseer, it shall be lawful for the constable, and he is hereby authorized and required, to whip every such slave, at his discretion, not exceeding thirty-nine lashes.

And be it enacted, That before any constable shall be entitled to receive the allowance granted by the fourth section of the act entitled, An act to prevent the tumultuous meetings and other irregularities of negroes and other slaves, he shall produce a certificate from at least two respectable citizens of his hundred, of his industry and fidelity in the discharge of his duty under this act and the act aforesaid.

And, for a further encouragement to take up runaway slaves, Be it enacted, That in lieu of two hundred pounds of tobacco, allowed by the act, entitled, An act relating to servants and slaves, any person seizing and taking up such runaway slaves, shall have and receive six dollars.

Farmers' Bank of Maryland.
NOTICE is hereby given, that the Books will be opened at Annapolis, on Monday the 15th day of April next, and continue open the next day for the disposal of the number of Shares remaining unsubscribed in the Farmers' Bank, on the Western Shore, the subscriptions to be taken at the Bank, between the hours of ten and five each day. The subscribers to pay ten dollars on each Share at the time of subscribing, and the residue as follows, to wit—Ten dollars on the thirtieth day of June, ten dollars on the thirtieth day of August, ten dollars on the thirtieth day of October, and ten dollars on the twelfth day of December next, but reserving to any subscriber the liberty of paying at any one of those days the whole of his subscription then due. The Shares which may be subscribed above the number limited to be reduced by a proportional deduction throughout the several counties on the Western Shore or by lot if necessary, and the monies that may be paid thereon to be immediately repaid at the Bank.

If any Stockholder shall fail to make regular payment of any installment after the first payment, such Stockholder's money in Bank, shall remain free from interest and not entitled to dividend, until such installment or call shall be made good, and the dividend thereafter to be paid to such Stockholder (as well upon the money paid by him regularly paid as upon the money paid after default) shall be calculated only from the time when said last installment was made good.

The subscribed Shares of the Farmers' Bank having already risen above par, and being in great demand, the Directors deemed it to be their duty to give every facility in their power to the citizens of every part of the Western Shore to become proprietors of a Stock to which experience has already attached an high degree of confidence and an enhanced value, and which from every appearance, would rapidly appreciate whenever the subscription of the surplus Shares should remove the possibility of procuring the stock at a lower value, than the successful management of the institution and the public opinion should have conferred on it: Notwithstanding, therefore, that the charter directed that the Subscription Books for this stock shall be opened at Annapolis, yet the Directors held themselves at liberty and have determined it to be their duty, to devise means to accommodate the citizens of the several counties who might wish to subscribe, but who cannot attend at Annapolis: In conformity, therefore, to a determination that had already obtained, at a joint meeting of the Directors of the Bank and Branch Bank on a similar occasion, the Board have adopted the following resolution:

That the Directors for the several counties on the Western Shore, be authorized and directed to receive in their respective counties, from all persons who may offer to subscribe for Stock in The Farmers' Bank, on the day or days appointed for subscribing, powers of attorney enabling some person to subscribe for them at Annapolis, and also to receive from persons so disposed to subscribe, the sums which are made payable, on subscriptions personally made; and all subscriptions made under powers as aforesaid, shall be held and deemed as valid, as if made by the individuals themselves at Annapolis.

P. WILLIAMSON'S Celebrated Elastic Three Slit METALLIC PEN,

WHICH has been pronounced, by many of the most eminent penmen, to be far superior to any metallic Pen that has ever been made heretofore, either in Europe or America; it is well known, that all the Pens upon the former principle have been wanting in that pliability which all Pens should have, in order to write with smoothness and rapidity, which in this is happily effected by the two additional side slits.

Perpetual Almanac Cases with Pens or Pencils, or both—the novelty and utility of which will render it far preferable to any common pencil case, the difference in the price being insignificant, may be had of the above, or Mr. George Aiken, No. 72, Market-street, Baltimore.

50 Dollars Reward.

RAN AWAY from the subscriber living in Prince George's County, on Sunday, the 29th June last, the following slave: a mulatto man, who calls himself **BILL STEWART**, born at Montgomery Court-house; was once the property of Honore Martin, and was purchased of him by Richard Carter, and by him sold to me. BILL is a likely well made fellow, about 21 years of age, 5 feet 10 inches high; his hands and feet are large. The evening before he absconded, he had his hair cut short; he took with him a variety of clothing; among other things, one blue coat and overalls; one light colored bear skin coat and overalls; two swansdown waistcoats; some coarse shirts; three fine Irish linen shirts; three muslin neck cloths; a fine hat which cost 7 dollars; he took with him a prayer book which has the name Mary Duckett written in the first page. The above reward will be paid for catching the said mulatto man in jail, so that I get him again.

A NEW WORK,
ENTITLED

Geographical Compilation,
For the use of Schools:

BEING an accurate description of all the Empires, Kingdoms, Republics and States of the known world, with an account of their population, government, religion, manners, literature, universities, history, civil divisions, ecclesiastical hierarchy, principal cities, with an account of their importance, remarkable monuments, illustrious citizens, commerce and population, &c.

The whole arranged in a catechetical form, compiled from the best American, English and French authors.
By D. L. C.
Teacher of Geography.
This work is executed on a plan entirely new in America; TOPOGRAPHY (or the description of the provinces and towns that compose a nation or country) constitutes one of the most essential parts of it, contrary to the custom which has prevailed in almost all the books of Geography that have appeared in the United States.
In this work, is presented to the public an entertaining account of the Chinese empire,

new description of France according to the recent division into departments compared with that into provinces, as likewise of Belgium, Savoy, Piedmont and the other countries that have been incorporated into the French empire; a detailed and accurate account of the various states of Switzerland, Italy & Germany according to the latest treaties of peace, viz. of Campo Formio, Rastadt, Luneville, Amiens and Presburg; an account of Poland according to the division of 1793; a satisfactory account of the British Isles; a long and accurate description of the United States in general, and of each state and territory in particular, likewise of their districts, counties, cities, towns and villages, &c.—Lastly a lengthy description of the Spanish possessions in America according to the last regulation of the cabinet of Madrid; likewise a description of the ancient tribes of Israel, of Judaea or Palestine under the Romans, of ancient Greece, and the divisions of ancient Italy, Gaul, Spain, Britain, Illyricum, Thrace, Asia Minor and Syria, with several other new articles which will certainly be highly interesting.

This work is printed in a handsome type, on elegant paper, neatly bound and lettered in two volumes, 12 mo.—Price 2 Dollars and 50 Cents.

This compilation has been approved, and subscribed to by the President of the United States, by the Secretary of State, by the Directors of the College Union at New-York, and of St. Mary's in Baltimore, in which last institution is likewise in the Ladies' Seminary, of Mrs. La Combe and of Mrs. Baerens in Baltimore, of Mrs. Rowland and Mrs. Creland in Philadelphia, and of Miss De St. Menim in Burlington New Jersey, it has been accepted. It has also been subscribed to by the greatest part of the most respectable citizens of Baltimore, Philadelphia, New York, and of the State of New-Jersey. This makes the author entertain the flattering prospect of seeing his labors rewarded by the suffrage of an enlightened & liberal public, who doubtless will encourage a work which has already been sanctioned by so many able persons and for which no trouble has been spared to render it at the same time instructive and agreeable.
