Holy Bible Explained.

HENRY S. KEATINGE returns his sincere

thanks to those who have patronized the above work, and informs them that a delay in its publication has arisen in the wish to furnish the public with the first impression of an elegant type, now casting at the infant foundry of Messrs. Sower & Co. in this city:—He is now happy in having it in his power to add, that the letter is so far completed, as to enable him to promise that the work will be put to press in a few days. And to aid in presenting this valuable work with expedition to subscribers, H. S. K. has united himself in its publication with W. PUGH, for whom the handsome type is casting on which the work is to be printed. In this work, the sacred writings are in the most pleasing and rational manner digested and illustrated, by way of *Questions and Answers*; in which, the principal points controverted by modern unbelievers are considered and satisfactorily explained. In a word, the publishers are confident it will prove to its readers a complete repository of useful and entertaining knowledge.

Subscriptions received at the office of the American will be delivered in seven numbers, at 25 cents each, or complete, in boards, at 2 dollars. It will contain 400 pages, large octavo. The price to non-subscribers will be 2 dollars and 50 cents.
