Sloop Experiment,
FOR PASSENGERS ONLY.
ELIHU S. BUNKER begs leave to inform his friends and the public, that he will, on the first of July, commence running a sloop, of about one hundred and ten tons burthen, between the cities of New-York and Hudson, for the purpose of carrying Passengers.
Few people, who have had occasion to take passage up or down the North River, but have experienced the inconvenience and risk in going on board vessels deeply loaded and lumbered on deck; therefore Captain Bunker has determined to take no freight on the Experiment, which will remedy that inconvenience and entirely do away the risk.
The owners of this vessel, being desirous to render the passage as short, convenient and agreeable as possible, have not only taken care to furnish her with the best Beds, Bedding, Liquors, Provisions, &c. but they have been at very great expense and trouble in procuring materials and building her on the best construction for sailing and the accommodation of Ladies and Gentlemen travelling on business or for pleasure.
The Experiment will leave New York every Wednesday Evening precisely at 6 o'clock, and Hudson every Sunday Morning at eight o'clock, throughout the season.
Captain Bunker having been several years engaged in the freight business between New-York and Hudson, has become well acquainted with every part of the river; and he hopes, by attention and punctuality, to merit the patronage of Ladies and Gentlemen from the southward, who may visit the celebrated Ballston, Saratoga and Lebanon SPRINGS, or Travellers who may have occasion to travel through the northern states. The shortness of the passage to Hudson when compared with that to Albany or any place above Hudson, (where the river is impeded by bars, island and overfalls) that render it impossible for fast sailing vessels to pass) he thinks will induce most people who are acquainted with the difference, to take passage to Hudson, where carriages or boats can at all times be had, at a moderate expense, to convey them to Albany, Troy, Lansingburg, or the Lebanon Springs, which are about 30 miles distance.
Hudson, May, 1807.

Mrs. Andrews, Milliner.
TO THE LADIES OF BALTIMORE.
HAVING been strongly encouraged by several Ladies of the first respectability in this city (my former and constant friends) I was induced to make an effort to attain a principal share of the liberal patronage I formerly experienced, and from the unopposed support I have met with, since my commencement, I have no doubt to obtain.
From the accumulated misfortunes I lately met with, through the placed confidence in a person of notorious character, now too well known, at present said to be flourishing in the first city in the union, on the ruins of me and the credulity of others, it is but few articles in my line I am able to offer, and those obtained by the generosity of some of my former friends, but having some days ago been tendered the assistance of two of the most extensive houses in this city, to which I will add attention, dispatch, exertion to please, with very accomodating prices.
Those Ladies who have not had their orders executed with me heretofore, and who may now be inclined to favor me with any part of their business may expect satisfaction.
To those who have so very feelingly stepped forward with advice and assistance to encourage me to commence business again, will here except my sincere thanks.
My store is on South-street, second door from Market-street, adjoining the corner store occupied by Mr. Joseph Wilkins.
An Apprentice wanted.
Also, a Woman who can do plain work.

ON application to the Judges of the said County Court, by petition in writing of John H. Schreiber, of said county, praying the benefit of the "Act for the relief of sundry insolvent debtors," passed at November session eighteen hundred and five, and the supplement thereto passed at November session eighteen hundred and six, on the terms mentioned in the said act; a schedule of his property and a list of his creditors, on oath, as far as he can ascertain them, as directed by the said act, being annexed to his petition; and the said County Court being satisfied by competent testimony, that the said John H. Schreiber has resided the two preceding years within the state of Maryland, prior to the passage of the said act; and the said John H. Schreiber at the time of presenting his petition as aforesaid, having produced to the said court, the assent in writing of so many of his creditors as have due to them the amount of two-thirds of the debts due by him at the time of passing the said act.
It is thereupon adjudged and ordered by the said court, that the said John H. Schreiber (by causing a copy of this order to be inserted in some one of the newspapers in the city of Baltimore, every other day for three months, before the tenth day of October next) give notice to his creditors to appear before the said County Court, at the court-house in the said county, at ten o'clock in the forenoon of the said tenth day of October next, for the purpose of recommending a trustee for their benefit, on the said John H. Land for Sale.
ABOUT 380 acres of Woodland, from nine to ten miles from Baltimore, on the main road to Ellicott's upper Mills: there is a large quantity of timber and wood on this tract; it is allowed by good judges that it will average considerably more cords of wood per acre, than will pay the price I ask for it, as it stands, without any expence or trouble in cutting. The price of fire wood the last winter, with the increasing scarcity of that article on the tide waters, and near Baltimore, it is thought will make this property of great value in a few years, to one that has the money to spare. The whole may be sold together or had in lots, as may best suit purchasers. One half the money will be required in hand, for the other half two or three years credit will be given. Mahlon Ely, living near the premises, will shew the Land; and the terms made known on application to Joseph Townsend, Baltimore, or to Selby Mills, 7th mo. 9th
