

touch Boxes, 5 Froggs, 33 Drums, 73 Carabine Slings, 17 Drum ditto, Half a Barrel Gun Powder, 3 Cafes Matches, 8 Caggs Ball and great Shot, 2 Half-barrels Gun Powder, and about 1000 Wt. Bar Lead.

*Under the Stairs in the Council House,*

One Barrel Gun Powder, 5 ditto sorted Bullets.

*In the Repository,*

Two Chests laid by the Armbruter to contain 50 new Muskets with Bayonets, one ditto laid by ditto to contain 25 pair new Pistols and Holsters, 172 old Muskets.

*In the Powder House,*

Thirty eight Half-barrels Gun Powder, and Eighteen Caggs Shot.

We find the Arms and Accoutrements in the Council Chamber clean, and in good order, and the several other Arms and Accoutrements mentioned in this Report, generally in good order, excepting the Hundred and Seventy old Muskets in the Repository, most of which are out of Repair.

We further find, that since last Session the Armourer (by the Governor's Order) has delivered to sundry Persons the following Arms and Ammunition, as per Receipts appear, *viz.*

To Capt. *Bigg*, 2 Half-barrels Gun Powder.
