

On motion of a Member that an Address be prepared to his Excellency, for his Protection of our Religious and Civil Rights; *Ordered*, That the Committee of Laws do prepare and bring in the same.

Col. Hooper delivers to Mr. Speaker the following Ingrossed Address:

To his Excellency SAMUEL OGLE, Esq; Governor of MARYLAND;
The humble ADDRESS of the House of DELEGATES.

May it please your Excellency,

His House having taken into Consideration your Excellency's Message of the 1st Instant, in Relation to finding Provision for the Warriors of the Six Nations, in their travelling through this Province to war with the *Catawbas*: The latter being in Friendship with the *English* as well as the former, we humbly conceive that such Supply might be taken as Encouragement to such Warring; and as those People are expert at Hunting, and require little Supply but what that affords, we therefore do not think proper to interfere, or agree that any Charge should be brought on the Public for that Purpose.

Which was read and assented to, and signed by Order of the House by the Honourable Speaker.

Ordered, That Col. Colvill and Mr. Hyland do acquaint his Excellency, that this House hath prepared an Address to him, and desires to know when and where he will please to receive it: They return, and acquaint Mr. Speaker, that his Excellency signified he would receive the Address immediately in the Conference Chamber.

Ordered, That Mr. Stoddert and three more do present the Address.

Col. Hammond, from the Upper House, delivers to Mr. Speaker the Bill entituled, *An Act for laying out and erecting a Town on Potowmack River above the Mouth of Rock Creek, in Frederick County*: The Bill entituled, *An Act to empower the Justices of Prince George's County Court to treat with Anne Darnall, &c.* The Bill entituled, *An Act to enable the Vestrymen and Churchwardens of Coventry Parish, &c to build a Chapel of Ease, &c.* And the Bill entituled, *An Act to repeal Part of an Act entituled, An Act to encourage the destroying of Squirrels, &c.* Severally Indorsed, "By the Upper House of Assembly, June 7, 1751. Read the second Time, and will pass."

Which Bills were severally read here, and passed for Ingrossing.

The House adjourns until 2 of the Clock.

Post Meridiem.

The House met according to Adjournment.

A Bill entituled, *An Act for raising an annual Revenue, for the better Support of the Station and Dignity of his Lordship's Governor for the Time being, and for the Safety and better Defence of this Province*; which was read the first Time: And the Question was put, that the said Bill be read the second Time: *Resolved* in the Affirmative.
